TURKISH  
TECHNOLOGY**

## BRIEF INTRODUCTION

Founded in 1954, Vaveera was established as a new brand in 2015. It is a modern industrial enterprise specializing in the development, design, manufacturing, and sale of manual faucets and infrared sensor products.

Currently, Vaveera has different certificates such as ISO9001, ISO14001, CE, ACS, BSCI, WRAS, RoHS, SASO etc. Vaveera is committed to providing the best design and solution for bathroom and kitchen faucets for better living quality life, and thanks to the stable good quality, on-time delivery, and suitable and reasonable prices, Vaveera Muslukları won the trust and high praise from world-wide customers which drive us to keep moving forward.

Where water meets elegance. Our design philosophy strips away the unnecessary, leaving only a graceful arc that complements your modern sanctuary. It's not just a fixture; it's a statement of quiet intention. Experience the soft, aerated stream that makes every interaction a moment of calm precision.
